About Panache DTU

"Panache" - Delhi Technological University's fashion society - has been a vital element of the institution since its inception with the goal of providing students with a forum to showcase their skills in the field of fashion and has a heritage of delivering honors and distinction to the University. This has given students more opportunities to learn about teamwork and fashion. Panache has been a medium for the students to get a lot of exposure in the realm of fashion, from making their own props to designing their own outfits and modeling them on the runway.

Vision And Mission

- We aim to set a benchmark & give due importance to fashion as to any other co-curricular activity.
- We strive to take Panache at the top and maintain the legacy.
- Our forte is highlighting social issues and bringing them out through the medium of fashion.
- It is established by fashion enthusiasts that defy social standards and smash preconceptions with their stellar performances and intriguing topics. Our clothes, confidence, walk, music, dance, and demeanor are the most discussed.
- We as a society are open to all people in order to accommodate and improve the talents of each and every member. We share methods to not just help you improve your fashion game but also enhance your overall personality outside of society.
