

# DELTECH MUN & DEBSOC

# OVERVIEW

DelTech MUN & DebSoc is the oldest debating society of Delhi Technological University (formerly DCE). Founded in the year 2011, DelTech since then has been maintaining its founding values and quality of debates for over a decade. DelTech is a convergence of ardent delegates, eloquent speakers and political connoisseurs who debate, discuss and deliberate on the issues that plague the world and find solutions that are sustainable and efficient.

DelTech is not only about its annual Model United Nations Conference but is much more than just that; Weekly discussions (*Weekly Charchas*), Fortnightly Debate Sessions, Article writing, Mock MUNs and training seminars on MUNs are a few to name.

## DELTECH'S MIND-ARTICLE SERIES

DelTech's MIND (Magazine of International and National Diplomacy) is a student-led online publication that captures the creative and unique perspective of DelTech's members on world politics and national affairs. The magazine features articles on a wide range of topics, including science, technology, engineering, arts, humanities, and social sciences that concern the National and International Affairs.

DelTech's MIND articles provide a platform for students to share their perspective outlook, innovative ideas, and thought-provoking ideas/solutions with the college community and beyond. The articles are written by students from diverse disciplines, reflecting the interdisciplinary nature of the publication and the broad range of interests and talents among DelTech MUN members.

## WEEKLY CHARCHAS

Weekly Charcha, a dynamic discussion forum organized on a regular basis where individuals get to discuss the topics gripping the nation. The stage allows for people to acquaint with the standard debating format and understand how to negotiate and work with different viewpoints.

It offers a space for open and respectful dialogue, where participants can share their perspectives, exchange ideas, and explore various issues and themes. The discussions cover a broad spectrum of subjects, including current events, social issues, cultural topics, academic interests, and more.

Fosters a welcoming and inclusive environment, where all members of the DelTech MUN community are encouraged to participate and express their views. The discussions are facilitated by moderators who ensure that the conversations are respectful, inclusive, and engaging. Students from diverse disciplines, backgrounds, and experiences come together to share their insights, learn from each other, and broaden their understanding of complex issues.

DelTech's Weekly Charchas provide an opportunity for participants to develop critical thinking skills, enhance their communication abilities, and engage in civil discourse.

## GEO-POLITICAL DISCUSSIONS

DelTech's Geopolitical Discussions focuses on engaging students in meaningful conversations about global politics, international relations, and geopolitical issues.

The discussions provide a platform for participants to explore and analyze complex geopolitical dynamics, including diplomatic relations, conflicts, alliances, and economic interdependencies among nations.

Here, critical thinking, analysis, and debate is encouraged as participants delve into the complexities of global issues and explore diverse perspectives. The forum promotes an inclusive environment where participants are encouraged to share their insights, ask questions, and engage in constructive discourse.

It helps participants to broaden their understanding of the world, cultivate a global mindset, and enhance their awareness of the interconnectedness of nations and regions.

## WEEKLY MEETINGS

Weekly Meetups are vital for the overall development and growth of the society. It's held in order to not only discuss societies growth aspect and future events, but also encourages members to share their ideas in different aspects as well, for instance, design, content, web-development etc.

All sorts of discussions are undertaken here, both college and individual related which keeps the mood of the society chill and light.

It acts an ice breaker for new recruits and an opportunity for seniors to know their juniors better. Additionally, it offers a break from the academic routine and provide an opportunity for participants to relax, have fun, and take a break from their studies or work. They also promote personal growth, as participants can learn new skills, gain knowledge, and broaden their horizons through the activities and discussions.

Overall, DelTech's Regular Meetups foster connections, promoting personal and professional growth, and enhancing the overall college experience for its members.
