

Cognitive Minds - DTU

OVERVIEW

Since its establishment in 2016, the student team of DTU has achieved remarkable success within a relatively brief period.

Comprised of undergraduate students from diverse academic backgrounds, the team operates under the guidance of Dr. Meha Joshi, Assistant Professor,

Delhi School of Management, DTU.

The whole Cognitive Minds is proud to represent our college at different platforms at regional and national level and work efficiently towards achieving our goal.

GOALS

Our main goal is to enhance personality of our youth via debating.

Complete Details of the Competitions we have participated during the year 2022-23

IIT Kanpur

On 16-19 March 2023, our team participated in the APD competition at IITK. We are proud to announce that **Gagandeep Singh was awarded the second-best adjudicator** in the competition.

Additionally, our team consisting of **Keshav Singhal, Tanish Arora, and Samarth Bhutani secured the third place**. It was a gratifying experience and a testament to our hard work and dedication.

KMC

We proudly participated in the TSOT MUN event held at KMC College, University of Delhi. We are thrilled to announce that our team member, **Gagandeep, won the prestigious Best Caricaturist award**. The event took place on 4th and 5th February 2023, where the whole team showcased exceptional talent and creativity. We are grateful for the opportunity and look forward to more such enriching experiences in the future.

IIT BOMBAY

Our team enthusiastically participated in the APD competition held at IITB from January 20th to 22nd, 2023. We travelled all the way to Mumbai, led by our dedicated president, to showcase our skills and talents. It was a truly global event, as we had the privilege of competing against international teams as well. The competition provided an invaluable platform for us to exchange ideas, learn from others, and broaden our horizons. Overall, it was a rewarding and enriching experience for our team.

Zakir Husain College

The DTU student team enthusiastically participated in the Zakir Husain College APD Competition from January 20th to 22nd, 2023. The event marked the inaugural debate for first-year students at the college.

The team members displayed great enthusiasm and put forth their best arguments, showcasing their talent and dedication in the competition

IIT Delhi

Our team participated in the BPD competition held at IIT Delhi from March 4th to 6th. We were honoured to have our Vice

President herself as our guide during the event. The competition provided us with valuable learning experiences and opportunities to showcase our skills. We are grateful for the support and guidance we received throughout the event.

NSUT

Our team participated in NSMPD competition at NSUT ON 1-3 April 2023. The debate format used was APD. The event was highly engaging and competitive, with teams from various colleges showcasing their skills. We enthusiastically presented our project and received valuable feedback from the judges. Overall, it was an enriching experience that enhanced our knowledge and strengthened our teamwork.

Events we have organized during the year 2022-23

DTU

11th Feb 2023 was the day of excitement to organize the JAM event in the Yuvaan fest. It was more than just a minute thing for us. We had esteemed judges. The participants were enthusiastic, and we got ready to volunteer all of them. The slots were divided into five sections. During a tiebreaker round, the contestants were asked to do plank hold. Then we organized a final round in which **Abhinav, Dilwinder, and Sachin** showcased spectacular performances and won **the 1st, 2nd, and 3rd positions**, respectively. That's how we ended this memorable day with distributions of gift bags to all the winners.
