

The Indian Game Theory Society - DTU

OVERVIEW

The student team of The Indian Game Theory Society, DTU Chapter has been performing well in a short span of time since its formation in 2016.

The team consists of undergraduate students from multidisciplinary background working under the guidance of faculty advisor - Dr Nand Kumar, Head of Department of Humanities, DTU.

It is a matter of pride for the students of IGTS-DTU to represent our college at different platforms and work efficiently towards achieving our goal.

GOALS

1. Promotion of concept and practical applications of Game Theory and Strategic Thinking .
2. Aim to start our chapters in universities and colleges all over India, and getting more and more students interested in Game Theory.

Events and Activities planned for 2022-23

1. Regular academic sessions on Game Theory with students of college.
2. Organising our flagship event “**Stratazenith**” in various colleges like IITs and IIMs.
3. Hosting an array of events pertaining to the ideology of Game Theory in the technical fest of DTU, Invictus.
