

Vibe Dance Crew, DTU

STREET DANCE SOCIETY OF DELHI TECHNOLOGICAL UNIVERSITY

About Vibe Dance Crew:

Vibe, DTU has been an impactful, influential and an integral part of our institution bringing the university several laurels and making a name for itself in the dance industry. Playing a significant role in the fulfillment of the dreams of the engineering students of dancing and while excelling in academics helping them grow a creative side too, Vibe Dance Crew has made a remarkable impact on the growing recognition of street dance forms. Creating a legacy in this institution, the society has made street dance forms familiar to not just the members of the society but to the whole institution. With its impeccable talent, skill of constant growth and unusual charm, Vibe Dance Crew has given the students a lot of exposure, has made them understand the value of discipline and team work and through the

means of dance, has given them a platform to express and explore themselves. By a very tasteful system of council and bifurcation of responsibilities within the society, it has managed to inculcate a great sense of responsibility amongst the students.

Vision and Mission:

- We set our sights to spread awareness and importance of dance as a impactful form of art and its importance in instilling the sense of responsibility, team work and discipline.
- We aim to bring more fame to the university in the cultural department and maintain the legacy that our founding members left for us.
- To make students realize the importance of art in life and how to explore the skill set and talent within themselves, nourish it with full freedom and then teaching them to express and channel it in the right direction with the best way possible.
- As a society, to uplift the fame of our Cultural Council.
Organizing several inter college and intra college competitions to make a remark in industry.
